Breakfast & Books  
(More info. to follow)

Sept. 20<sup>th</sup>  
Family Movie Night  
Progress Reports Go Home

Sept. 27<sup>th</sup>  
Kindergarten Planting

## September News

It was so nice seeing you at Parent Night. I thank you in advance for the support you have already given me and your child. For the month of September, we will continue to talk about one letter per day. We compare the uppercase and the lowercase letter, the location of the letter in the alphabet, identify if it is a vowel or consonant, and the sound that letter makes. By the end of the month, we will have done this for every letter in the alphabet. We also play "Name of the day." It is a fun way to get to know our new friends!

In Math, we finished up our Positional Words unit (inside, outside, above, below, in front, and behind, left, right) and we will begin our Counting and Cardinality unit. We will be learning how to write and count the numbers 1-10. We are learning a rhyme for each number and making a number book that we can't wait to take home and share with you!

Social Studies : We have been discussing rules, how they keep us safe, and how they help us learn at school. We made a traveling book about some of our classroom rules. This book will go home with every student to share with their family

**\*Please remember to pack healthy easy to eat snack every day\***

Please REMEMBER: P.E. is on Wednesday and Thursday so wear your sneakers.

Library is on Tuesday so bring back your library book on this day!
