Sept. 21st
International Day of
Peace

Sept. 23rd
It Starts With HELLO
Please wear GREEN on this day!

Sept. 25th
Kindergarten Planting

September News

I hope you found the Parent Night video to be informative. Please remember to contact me with any questions or concerns. I thank you in advance for the support you have already given me and your child. For the month of September, we have been learning one letter per day. We start with letter formation on a "handwriting road". We compare the uppercase and the lowercase letter, the location of the letter in the alphabet, identify if it is a vowel or consonant, and the sound that letter makes. We also play "Name of the day." It is a fun way to get to know our new friends!

In Math, we are learning about our Positional Words (inside, outside, above, below, in front, and behind, left, right). At the end of the month we will begin our Counting and Cardinality unit. We will be learning how to write and count the numbers 1-10. We will learn a rhyme for each number and will be making a number book that we can't wait to take home and share with you!

Social Studies:

We have been discussing the importance of rules at home and school and how they keep us safe. We will be discussing authority figures at home, in school, and in the community. This is part of our Government unit!

Please remember to pack healthy easy to eat snack every day

Please REMEMBER: P.E. is on Wednesday and Thursday so wear your sneakers.

Library is on Tuesday so bring back your library book on this day!
